

INFLATABLE SIGN REGULATIONS

LOCATION: May be located only in commercial and/or non-residential zoning districts. Shall be resting on the roof of a commercial building or be resting on a parking lot, so long as the required number of parking spaces is maintained. Shall not be located within any required parking spaces, driveways, fire lanes, in the landscape buffer or in the public right-of-way.

MAX SIGN AREA: 45 square feet

MAX HEIGHT: 30 feet

PERMIT: Required

FEE: Yes

MAX # OF SIGNS: 1 per business; 3 per year. In the case of multiple businesses or tenants in a commercial center, no more than 1 inflatable sign may be located in the center at any one time.

TIMEFRAME: Maximum 14 days per permit. Permits may be consecutive.

REMOVAL: Must be removed on the day of the expiration of the permit.
